How to Find Books from the Library Catalog
On the Internet, go to the Merced College webpage.
Click on: MC Portal
Type your log in information.
Click on: Library
Click on: *Find Books*
Click on: OK
Click on: *Power Search*
Type search terms in a relevant search field.
This sample is typed in the *subject* field using the AND operator to retrieve items that contain both of the subjects, atmosphere plus meteorology.
The results list of items found in the catalog.
